Bosch Power Tools Unveils 12V Max Brushless 1/4 Inch Hex 2-Speed Screwdriver and 12V Max Brushless 3/8 Inch Hammer Drill/Driver

MOUNT PROSPECT, Ill. (Nov. 2, 2020)– Bosch Power Tools, the world market leader for power tools and power tool accessories, today announced its newest lineup additions, the GSR12V-300HXN 12V Max Brushless 1/4 In. Hex 2-Speed Screwdriver and GSB12V-300N 12V Max Brushless 3/8 In. Hammer Drill/Driver.

The products, both available now, deliver unparalleled power in compact, easy-to-use sizes. With brushless efficiency and enhanced features including Durashield housing and an LED light for low-light work areas, both additions to the Bosch Power Tools lineup are a must-have for any toolbox.

Both products feature an efficient, brushless motor that delivers 300 In.-Lbs. of torque, along with a max speed of 1,750 RPM. Weighing in at 1.3 pounds and 1.8 pounds respectively, the screwdriver and hammer drill/driver are ideal tools for overhead work or tight spaces. Additional details below:

GSR12V-300HXN 12V Max Brushless 1/4 In. Hex 2-Speed Screwdriver:

- Delivers 300 In.-Lbs. of torque with a compact 5.0 In. head length and 1.3 Lbs. weight
- Efficient brushless motor with two speed settings and 20+1 clutch
- Quick-change 1/4 In. hex drive chuck for enhanced bit grip and LED light

GSB12V-300N 12V Max Brushless 3/8 In. Hammer Drill/Driver:

- Delivers 300 In.-Lbs. of torque with a compact 6.7 In. head length and 1.8 Lbs. weight
- Efficient brushless motor with two speed settings and 20+1 clutch
- Durable 3/8 In. three-jaw keyless chuck and LED light

About Robert Bosch Tool Corporation

Robert Bosch Tool Corporation, the Power Tools Division of North America, was formed in January 2003 when Robert Bosch GmbH combined its North American diverse power tool and accessories businesses into one organization. As a manufacturing pioneer with more than a century's worth of experience, the Bosch name has become synonymous with engineering excellence. Located throughout North America as part of the global power tools division, Bosch associates maintain a legacy of world-class design, manufacture and sale for power tools, rotary and oscillating tools, accessories and measuring tools. For more information, call toll-free 877-BOSCH-99 (877-267-2499) or visit www.boschtools.com.

About Bosch

Having established a regional presence in 1906 in North America, the Bosch Group employs 34,700 associates in more than 100 locations, as of December 31, 2020. According to preliminary figures, Bosch generated consolidated sales of $13.1 billion in the U.S., Canada and Mexico. For more information, visit www.bosch.us, www.bosch.ca and www.bosch.mx.

The Bosch Group is a leading global supplier of technology and services. It employs roughly 394,500 associates worldwide (as of December 31, 2020). According to preliminary figures, the company generated sales of $87.1 billion in 2020. Its operations are divided into four business sectors: Mobility Solutions, Industrial Technology, Consumer Goods, and Energy and Building Technology. As a leading IoT provider, Bosch offers innovative solutions for smart homes, Industry 4.0, and connected mobility. Bosch is pursuing a vision of mobility that is sustainable, safe, and exciting. It uses its expertise in sensor technology, software, and services, as well as its own IoT cloud, to offer its customers connected, cross-domain solutions from a single source. The Bosch Group's strategic objective is to facilitate connected living with products and solutions that either contain artificial intelligence (AI) or have been developed or manufactured with its help. Bosch improves quality of life worldwide with products and services that are innovative and spark enthusiasm. In short, Bosch creates technology that is "Invented for life." The Bosch Group comprises Robert Bosch GmbH and its roughly 440 subsidiary and regional companies in 60 countries. Including sales and service partners, Bosch's global manufacturing, engineering, and sales network covers nearly every country in the world. The basis for the company's future growth is its innovative strength. At 126 locations across the globe, Bosch employs some 73,000 associates in research and development, as well as roughly 30,000 software engineers.
