

Bosch Power Tools Announces GHJ12V Heated Jacket and GHH12V-20 Heated Hoodie, Keeping Workers Warm through the Winter Months

MOUNT PROSPECT, Ill. (December 8, 2020)– Bosch Power Tools, the world market leader for power tools and power tool accessories, today announced its newest heated gear additions, the **GHJ12V Heated Jacket** and **GHH12V-20 Heated Hoodie**.

Including enhanced, modern designs and light, durable materials, the jacket and hoodie feature three temperature settings for enhanced control and comfort. Strategically placed heat zones in the chest and lower back offer through, efficient heating in a lightweight, easy-to-wear package.

Both products come packaged with the Bosch GAA12V-21 12V Max Portable Power Adapter, enabling users to take full advantage of their Bosch 12V Max Battery, delivering heat as well as 2.1 Amps of accessory power for mobile devices, phones, tablets and more. Additional details below:

GHJ12V Heated Jacket:

- Jacket has three warming heat zones and six pockets for storage
- High-quality water and wind resistant design for maximum comfort
- Portable adapter delivers fast charging to phones and other devices

GHH12V-20 Heated Hoodie:

- Hoodie has three warming heat zones and large adjustable hood
- Portable adapter for fast charging cell phones, other devices
- Specially designed lightweight fabric design for maximum comfort

About Robert Bosch Tool Corporation

Robert Bosch Tool Corporation, the Power Tools Division of North America, was formed in January 2003 when Robert Bosch

GmbH combined its North American diverse power tool and accessories businesses into one organization. As a manufacturing pioneer with more than a century's worth of experience, the Bosch name has become synonymous with engineering excellence. Located throughout North America as part of the global power tools division, Bosch associates maintain a legacy of world-class design, manufacture and sale for power tools, rotary and oscillating tools, accessories and measuring tools. For more information, call toll-free 877-BOSCH-99 (877-267-2499) or visit www.boschtools.com.

Bosch in North America

In the U.S., Canada and Mexico, the Bosch Group manufactures and markets automotive original equipment and aftermarket products, industrial drives and control technology, power tools, security and communication systems, packaging technology, thermotechnology, household appliances, healthcare telemedicine and software solutions. For more information, please visit www.boschusa.com, www.bosch.com.mx and www.bosch.ca.

About Bosch

Having established a regional presence in 1906 in North America, the Bosch Group employs 35,400 associates in more than 100 locations, as of December 31, 2018. In 2018 Bosch generated consolidated sales of \$14.5 billion in the U.S., Canada and Mexico. For more information, visit twitter.com/boschusa, twitter.com/boschmexico and www.bosch.ca.

The Bosch Group is a leading global supplier of technology and services. It employs roughly 410,000 associates worldwide (as of December 31, 2018). The company generated sales of 78.5 billion euros (\$92.7 billion) in 2018. Its operations are divided into four business sectors: Mobility Solutions, Industrial Technology, Consumer Goods, and Energy and Building Technology. As a leading IoT company, Bosch offers innovative solutions for smart homes, smart cities, connected mobility, and connected manufacturing. It uses its expertise in sensor technology, software, and services, as well as its own IoT cloud, to offer its customers connected, cross-domain solutions from a single source. The Bosch Group's strategic objective is to create solutions for a connected life. Bosch improves quality of life worldwide with products and services that are innovative and spark enthusiasm. In short, Bosch creates technology that is "Invented for life." The Bosch Group comprises Robert Bosch GmbH and its roughly 460 subsidiary and regional companies in over 60 countries. Including sales and service partners, Bosch's global manufacturing, engineering, and sales network covers nearly every country in the world. The basis for the company's future growth is its innovative strength. At nearly 130 locations across the globe, Bosch employs some 68,700 associates in research and development.
