

Bosch Brings Cordless Convenience to Tackle Everyday Home Tasks with New Compact Tools

New Bosch assortment debuts at Lowe's nationwide with new solutions designed to make cleaning, fastening, assembly and inflation easier. • Bosch introduces four compact cordless products designed to handle more everyday tasks around the home. • New assortment includes solutions for cleaning, fastening, furniture assembly, quick fixes and inflation. • Products will be available at Lowe's stores for a limited release while supplies last.

MT. PROSPECT, Ill. (September 21, 2026) – Bosch Power Tools is expanding the ways it helps consumers tackle projects around the home with four new compact cordless products. Designed for smaller jobs and everyday tasks, the tools prioritize convenience, portability, and ease of use. The new assortment includes the TAYDO Cleaning Brush, PSR-SELECT Multi-Bit Screwdriver, IXO Screwdriver and PNEO Air Pump, all designed for quick,

convenient use around the home.

Launching at Lowe's stores today, the lineup pairs compact, cordless designs with features tailored to each household task, helping handy and fix-it loving consumers take on everything from removing stubborn grime and furniture assembly to tightening screws and bolts and bike tire inflation.

Bosch Engineering for Everyday Projects

Consumers know Bosch for high-powered, jobsite tools that handle large-scale, demanding projects. Now, the brand is bringing that same thoughtful engineering and usability to the smaller, everyday tasks that come with maintaining a home.

"Not every project calls for a huge, traditional power tool, but smaller jobs around the home still need large-scale power and thoughtful designs to make these tasks seamless," said Philipp Gosau, Director of Product Management for Bosch Power Tools North America. "With these new products, we're expanding what Bosch can help consumers accomplish around the home, bringing our same level of quality, innovation and cordless convenience into the work that comes up every day."

Four Compact Tool Solutions Essential-in the Home Toolbox

Bosch TAYDO 4V Max Cleaning Brush

- **Versatile Cleaning:** Multiple attachments help tackle everything from tile, grout and stovetops to shower glass, shoes, car rims and outdoor furniture.
- **Ready for Wet Areas:** An IPX5 water-resistant rating supports use in kitchens, bathrooms and outdoor spaces.
- **Quick Accessory Changes:** A hook-and-loop system makes it easy to switch attachments based on the surface or task, while the cordless design provides flexibility to clean throughout the home.

Bosch PSR-SELECT 4V Max Multi-Bit Screwdriver

- **Bits Built In:** An integrated revolving drum stores 12 commonly used bits directly in the tool, helping keep the right option close at hand.
- **EasySELECT System:** Allows users to quickly rotate and select bits, while an illuminated magnified window makes it easy to identify the desired bit.
- **Made for Everyday Fixes:** Compact, ergonomic construction supports common household fastening projects, with runtime of up to 110 screws per charge.*

**Based on internal test data, fully charged new battery, tightening of M4 - 0.7 x 30 mm screws.*

Bosch IXO 4V Max Screwdriver

- **Compact Fastening:** Delivers up to 57 In.-Lbs. of hard torque in a lightweight design suited for furniture assembly, quick fixes and other household projects.
- **Added Visibility:** A 360° LED light ring provides shadow-free illumination around the work area.
- **Comfortable Control:** An ergonomic shape and soft-grip surfaces help the tool sit naturally in the hand, with runtime of up to 200 screws per charge.*

**Based on internal test data, fully charged new battery, tightening of M4 - 0.7 x 30 mm screws.*

Bosch PNEO 4V Max Air Pump

- **Inflation Up to 150 PSI:** Designed for car, motorcycle and bike tires, sports equipment and other smaller inflatables, with automatic shutoff at the preset pressure.
- **Easy Monitoring:** A dual-line display shows current and target pressure, while memory functionality recalls up to three preferred pressure settings.
- **Designed for Portability:** A 360° rotating hose, integrated LED light and on-tool adapter storage make it easier to inflate items at home or on the go.

Expanding What Bosch Can Help Consumers Accomplish

Big projects aren't the only jobs that deserve the right tool. These latest additions broaden Bosch's role in the home, offering purpose-built options for routine maintenance, quick fixes and the unexpected tasks that arise along the way.

The Bosch TAYDO 4V Max Cleaning Brush, PSR-SELECT 4V Max Multi-Bit Screwdriver, IXO 4V Max Screwdriver and PNEO 4V Max Air Pump will be available at Lowe's stores while supplies last.

About Bosch

Having established a presence in North America in 1906, today the Bosch Group employs around 38,000 associates in more than 100 locations in the North American region (as of Dec. 31, 2024). According to preliminary figures, Bosch generated consolidated sales of \$18.7 billion in the U.S., Mexico and Canada in 2025. For more information visit www.bosch.us, www.bosch.mx and www.bosch.ca.

The Bosch Group is a leading global supplier of technology and services. It employs roughly 412,000 associates worldwide (as of December 31, 2025). According to preliminary figures, the company generated sales of 91 billion euros in 2025. Its operations are divided into four business sectors: Mobility, Industrial Technology, Consumer Goods, and Energy and Building

Technology. With its business activities, the company aims to use technology to help shape universal trends such as automation, electrification, digitalization, connectivity, and an orientation to sustainability. In this context, Bosch's broad diversification across regions and industries strengthens its innovativeness and robustness. Bosch uses its proven expertise in sensor technology, software, and services to offer customers cross-domain solutions from a single source. It also applies its expertise in connectivity and artificial intelligence in order to develop and manufacture user-friendly, sustainable products. With technology that is "Invented for life," Bosch wants to help improve quality of life and conserve natural resources. The Bosch Group comprises Robert Bosch GmbH and its roughly 490 subsidiary and regional companies in over 60 countries. Including sales and service partners, Bosch's global manufacturing, engineering, and sales network covers nearly every country in the world. Bosch's innovative strength is key to the company's further development. At 136 locations across the globe, Bosch employs some 82,000 associates in research and development.

The company was set up in Stuttgart in 1886 by Robert Bosch (1861-1942) as "Workshop for Precision Mechanics and Electrical Engineering." The special ownership structure of Robert Bosch GmbH guarantees the entrepreneurial freedom of the Bosch Group, making it possible for the company to plan over the long term and to undertake significant upfront investments in the safeguarding of its future. Ninety-four percent of the share capital of Robert Bosch GmbH is held by Robert Bosch Stiftung GmbH, a limited liability company with a charitable purpose. The remaining shares are held by Robert Bosch GmbH and by a company owned by the Bosch family. The majority of voting rights are held by Robert Bosch Industrietreuhand KG. It is entrusted with the task of safeguarding the company's long-term existence and in particular its financial independence – in line with the mission handed down in the will of the company's founder, Robert Bosch.
